TEACHING INVESTING WITH TEAMS AND COMPETITIONS

Prepare your students for the world of investing! Teams start with a virtual \$100,000 and invest in real stocks. In building a portfolio, students research and evaluate bonds, mutual funds and stocks, and make decisions based on what they've learned. Teams develop speaking and listening skills while practicing leadership, organization, negotiation, and cooperation as they compete for the top spot. The Stock Market Game and Rapunzl teach and reinforce these essential skills and concepts, and prepare students to meet life goals and master learning standards.

Grades 4-12 , 1 Workshop Includes:
2 Professional Development Credits, and 1 free copy of curriculum being used.

**Workshop Dates: (choose 1 only)

Teaching Econ and Personal Finance Grades 1-8 and After School

Program funded by Econ Illinois.

Stimulate interest in the fundamentals of our economic system, and give your students an opportunity to creatively demonstrate their understanding of the economy! Students create a poster that illustrates one of several economic or personal finance concepts aligned with Common Core & Illinois Learning Standards for Social Science. Up to twenty-four Chicago Regional Award Winners will each receive a prize and recognition at our Spring Awards Reception, and also are entered into the state-level competition.

Entries should be post-marked by Dec. 31, 2018.

Workshop Dates-Choose 1 (all 4:30-6:30 pm at UIC) Oct. 16 OR Nov. 7 OR Dec. 6

TEACH INQUIRY WITH MONEY FAIR GRADES 5-8

Money Fair involves pairs of students selecting a personal finance topic, undertaking research to explore and learn about that topic, and preparing a creative presentation that showcases the outcome of their inquiry, similar to science and history fairs. Money Fairs are held by the end of Mar. 2019, and culminate in late April during Money Smart Week, when winning teams will compete at the Money Fair Finals at the Fed.

Email hroberts@uic.edu or call 312-413-3599 to contact us about starting a Money Fair in your school and learning from an experienced Money Fair teacher!
